

# VXI

## >>> Retrofit Opportunities

External platform with ladder & casing railing

Steel drift eliminators

Discharge hood

Oversized motor & Drive set

Plume abatement coil

- Improve maintenance and accessibility
- Enhance operational safety
- Reduce sound emission
- Save water
- Save energy and increase performance
- Increase reliability

Clean out port

BCP automatic bleed control

Separator

Basin sweeper piping

Heater package

Electric water level control package

Fan guard

Intake & discharge attenuation

Baltiguard (standby motor & motor base)

Stand-by pump

Positive closure dampers
